Meal and HOA on March 18th

Prize Money

The Sign-Up fee of \$10.00 is for the meal on the March 18th and the HOA prize money. The \$20.00 entry fee, \$12.00 goes towards the cost of targets and the remainder \$8.00 goes towards the prize money for the top three scores and the remainder is given out in the form of a lottery called the "Entry Lottery". The "Entry Lottery" prize money is divided by 20 to determine the number \$20.00 winners. The "\$5 Lottery" money is divided by 10 or 15 to determine the number of \$10.00 or \$15.00 winners depending on the number of shooters. The winners are determined by a random number generator. A random number is generated for each of the positions in the standings. This is done for only fourth place and on positions in the "Entry Lottery" and for all those who played the "\$5 Lottery". The payout is based starting with the person with the lowest random number. This way you don't have to shoot a good score to win some money, you can even come in last place and win money.

First Perfect Score Prize Money - \$300.00
